NSL NEWSLETTER - MAY 2017

Dear Parents

Welcome to our May newsletter and the first week back for the last part of the school year. We hope that you had a wonderful May Holiday and now we can all look forward to some warm summer weather. Since our last newsletter we had our school sponsorloop which happened during the last week of term. In our next letter we will let you know the grand total of the money raised.

We are very much looking forward to the 2HSV auction on Friday 19th May. There are still some [tickets available](#) and wonderful items to bid for in the online auction which is now open. Click [here](#) to view online auction items and place a bid. The monies raised will help our with the development of the ICT curriculum in both departments.

boy. Ms Laura has given birth to a baby girl. We offer both families our congratulations. Ms. Kristen's maternity leave began just before the May holiday. Ms. Janet Goedbloed has joined the HSV as a cover teacher.

Testing

From May 22nd for two weeks the children will take their annual standardised tests. Your class teacher will inform of you the specific schedule for their class. It is always important that children get sufficient sleep but please ensure that the children come to school well rested and fed so that they perform their best on the tests. These happen every year and the results are reported in the summer report.

Inspection Report

At the beginning of the school year we had a two day school inspection across all three locations. We received the inspection report in April and it has now been translated into English. To read the official Dutch report, click [here](#) . For the translated version, click [here](#) .

New HSV ID Website

We are excited to announce that the international department will launch its new website in the coming days. We hope that you enjoy the new look and find it easier to navigate. For the moment, you will be able to access the website via the old website: www.hsvdenhaag.nl, but as soon as the

2HSV Auction-Message from Juf Helen Jones

Not long to go now!

I hope you have already had a look at the Auction website of www.2hsv.nl/auction where you can see the art work of your talented children. Also have a look at all the great bids on offer, from children's parties to dinners and golf coaching.

Register today, which is easy to do and put in a bid. Any bid will start it going and the fun will start when we can see the bidding changing everyday.

On the link you can also register for the Auction Dinner, which will be held at the prestigious Club 'De Witte,' next to the Mauritshuis on Het Plein.

It is also easy to register for the dinner. It will be held on 19th May at 19.00. There are still some tickets available for the Auction Evening and three course dinner, including wine. **Tickets cost €49.95.** You can join in a table with some friends, other class parents or be included on another table. A few classes have already organised tables.

Last time it was a very successful and enjoyable event under the supervision of the very talented Auctioneer, Willem Jan Hoogsteder, famous from the Dutch Antiques Roadshow, Kunst en Kitsch.

It should again be a great occasion. If you need any advice/help contact me at hjones@hsvdenhaag.nl or info@2hsv.nl.
